Building Land & Ruin

The land is partial set in an urban area that allows a villa construction. A rural location, just on the outskirts of a very small village.

Close to points of interest where you can take long and relaxing walks and observe nature. This property is not isolated as it has neighbours nearby, but it still has privacy. The land is flat and has a beautiful view of the Algarve mountains. It is an ideal investment for those who would like to live in the countryside or even as an option to make some profit.
